Policy for Collective Prayer and Worship

Holy Family School is a Catholic community which has prayer, worship and liturgical celebrations at its heart. Through the frequent and varied Acts of Worship, the members of Holy Family community (Pupils, staff, governors, clergy and parents) deepen their faith and understanding of God's world and abounding love for each one of us.

Aims:

1. To provide the opportunity for all children to experience the joys of worshipping together.
2. To enhance and enrich children's understanding of gospel values and the life of Jesus.
3. To provide opportunities for group/individual reflection and silent prayer.
4. To encourage an understanding of our religious beliefs and practices
5. To give children opportunities to contribute their own prayer and participation in celebrations and the Liturgy.
6. To develop a strong sense of community.
7. To encourage an awareness and sensitivity towards other individuals and their needs.
8. To foster a sense of awe and wonder in God's creation and an appreciation of the need to conserve it.

Teaching Approaches

A variety of teaching approaches are presented to children during times of prayer and worship. These include:

- a) Teacher guided sessions, where children are taught prayers formally.
- b) Worship led by 'The GIFT Chaplaincy Team' and by other children.
- c) Ten-Ten daily prayer and worship
- d) Praying with paint
- e) Class sessions where members are encouraged to create prayers during quiet reflection.
- f) The use of simple prayer focal points.
- g) The use of role-play.
- h) The use of audio visual aids.
- i) Visiting places of worship.
- j) The use of outside speakers to share their experiences of prayer and worship.

Each child will experience prayer and worship in a variety of ways appropriate to their age. They learn a variety of traditional prayers as well as being encouraged to pray spontaneously and to write their own.

Each school day begins and ends with prayer.

Each classroom has its own focal point which is changed on a regular basis.

Grace before Meals is said at noon and Grace after Meals at the beginning of the afternoon.

Other opportunities for individual or class prayer and reflection will arise throughout the day.

Assemblies are held as follows:

Headteacher's Assembly

This is held twice a week and is based on the resource Ten- Ten. On a Monday, the previous Sunday's Liturgy is shared with the children. The children then focus on how they can live out the Gospel value during the week.

On Friday, we discuss and share how we have lived out the Gospel value and celebrate the children's achievements throughout the week.

Key Stage Assemblies

Assembly is held once a week within each Key Stage and is led by teachers on a rota basis. The content of each of the Key Stage assemblies is based on the resource "Nurturing Human Wholeness". The Assemblies are linked to the Ethos Statements to Live By. Focal points are used and together with quiet music create an atmosphere in which the children are able to reflect on the theme of the assembly. Each assembly is supported by a circle time Act of Worship held within each class.
